

gcn::Key

```
classDiagram
    class gcn_Key["gcn::Key"]
    class gcn_KeyInput["gcn::KeyInput"]
    gcn_KeyInput ..|> gcn_Key : mKey
```

The diagram illustrates a generalization relationship between two classes. At the top is a white rectangular box labeled 'gcn::Key'. Below it is a gray rectangular box labeled 'gcn::KeyInput'. A dashed purple line connects the two boxes, with a solid purple arrowhead pointing from 'gcn::KeyInput' up to 'gcn::Key'. The label 'mKey' is positioned to the right of the dashed line.
